

Monmouth Care Center is pleased to now offer its patients: **BAM (Bamlanivimab investigational antibody treatment)** for COVID-19 positive patients in the comfort of our beautiful and newly renovated facility in Long Branch.

Monmouth Care Center is conveniently located around the corner from Monmouth Medical Center and 8 miles from Jersey Shore Hospital and Riverview Medical Center.

Please contact **Tina, Director of Admissions, at: 732-229-4300 EXT.104**, for any questions about this program.
